

KNIGHT '77

Man is the center of a circle whose fatal circumference he cannot pass.

KNIGHT 1977

Published by the Senior Class of North Andover High School, North Andover, Massachusetts.

Our lives revolve around the love and laughter of our friends

what we can do in every season . . .

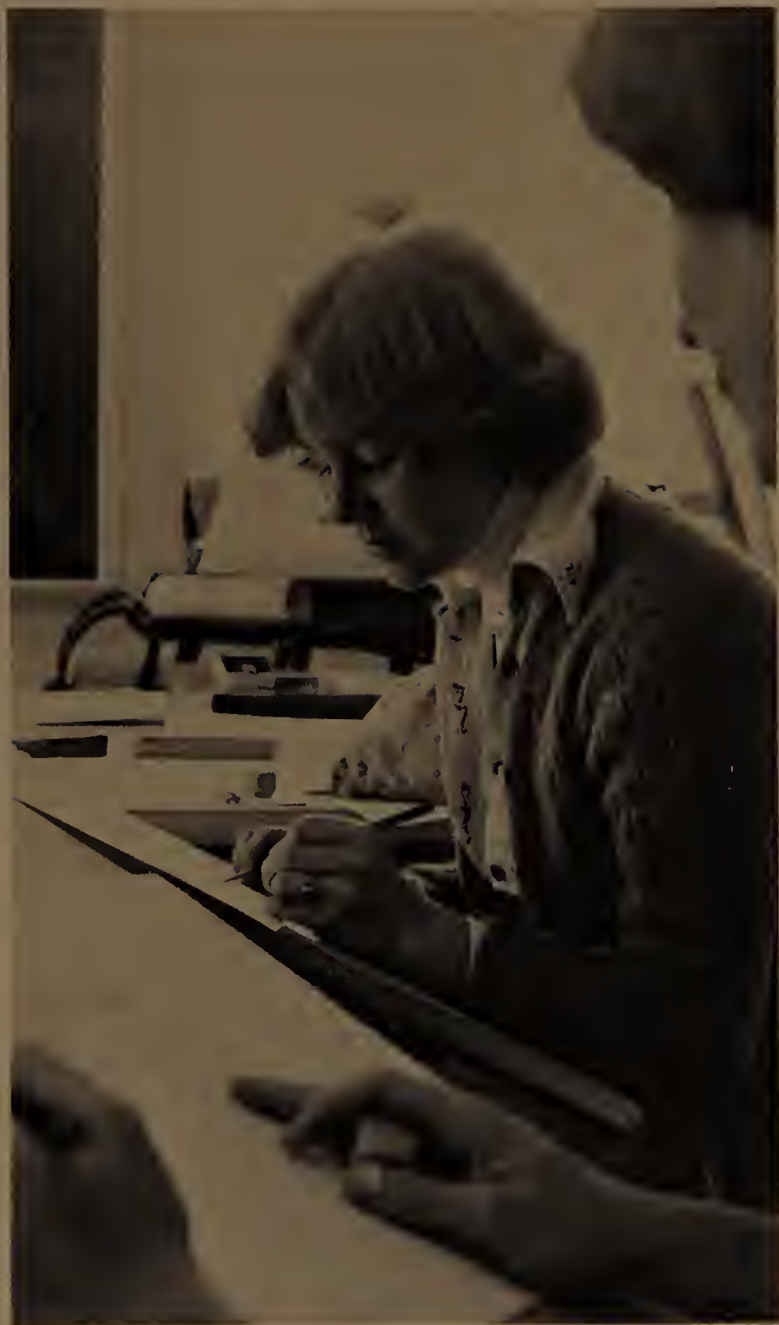

all the thoughts and ideas we create and express . . .

We have the time . . .

to work . . .

to become individuals . . .

and to change . . .

Such things the world is made of.

WE BEAT OUR COMPETITION

To lose a friend is the greatest of all evils, but endeavor rather to rejoice that you possessed him than to mourn his loss. *friendly be yourself*

Girls spark spirit!

What would a high school athletic event be without the presence of the cheerleaders? These girls make up an important part of the overall athletic program as they help stimulate enthusiasm and school spirit at the sporting events held throughout the school year.

This year's squad led by tri-captains Janice Kelsey, Erica Helfrich and Colleen Canty worked hard, along with Coach Gorman, to put together an excellent team. The squad's long hours of work was appreciated by all who saw them perform during the year.

With Nancy Buturlia doing the 220, Kelly Scanlon running the mile, and Mary Beth Lawlor on the hurdles, the team has a good chance for yet another undefeated season, especially with the help of returning seniors, Ruth Marshall, Janice Peluso, Betsy Plant and Paula Vanasse.

With the addition of the High School courts and the growing popularity of tennis in North Andover, the outlook for the Knights Net Squad is expected to improve greatly this year. The team, led by Coach Al Berman and Captain John Graham, is looking forward to a successful season. Despite their 3-12 record last year, the Knights hope to rebound and be a consistent winner throughout the spring season. The squad has a strong singles department, but their hopes lie with the performance of the doubles team. Coach Berman feels that the Knights will be a strong competitor for the Cape Ann League Crown. Key varsity players include Gerald Huggins, Pat Armitage, Jim Cosken, and returning seniors Jack Freedman and Carl Bischoff.

“The Original Refresher Course”

History.

When man needed transportation,
he invented the wheel. When man
needed warmth, he discovered fire.
And when man needed real refreshment,
he invented the real thing, Coca-Cola.

English.

Coca-Cola (Koka-Kola)
Coke (Koke): trademarks which
identify the same dark-colored,
delicious, carbonated
soft drink.

This unique tasting
soft drink gives
real refreshment,
pleasure, fun,
quenches thirst, it's the real thing.

The classic bottle.

Math.

Man X is working in the sun
where it is 97°

Man Y is working in the
shade where it is 92°

Both X and Y then have
a bottle of Coca-Cola,
(ideally served at 34°).

Construct an equation:

$$\begin{aligned} X + Y + \text{refreshing Coca-Cola} \\ = X + Y - \text{thirst.} \end{aligned}$$

Poetry.

It's the real thing.
In the back of your
mind.
What you're hoping
to find,
Is the real thing.

It's the real thing.
That's the way it
should be.
What the world wants
to see,
Is the real thing.

**It's the real thing.
